(f) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI M. M. JACOB): (a) to (f) Based upon the Arbitral Award of Shri C. M. Trivedi, which was accepted by both the Governments of Uttar Pradesh and Bihar, the Bihar and Uttar Pradesh (Alteration of Boundaries) Act, 1968 was enacted to replace the fluctuating inter-state river boundaries by a fixed boundary. Thus there is no boundary dispute as such. However, there have been occasional conflicting claims between private parties in respect of rights of ownership and cultivation of land in some of the areas transferred from one State to the other following the enforcement of the said Act. Such dispute are already sub-judice. There are, however, some differences between the two State Governments ever the exchange of records of rights of cultivators in respect of their lands in certain villages falling in the transferred territories. Further action in the matter can be taken after getting the report of completion of survey and record operations being done by the concerned State Government.

The problem is essentially a matter to be sorted out between the two State Governments bilaterally at the appropriate level. The Central Government will extend such assistance as may be specifically required by them.
